“ *Patra, you were my closest friends and I miss you so much. You always stood by me through thick and thin, and you were always protective of me. No matter how long it had been since we talked it felt like yesterday. I feel like I lost a part of me when you passed but I know you are in a better place and at peace now. I know get there you welcome me with a big hug and your wonderful laugh that I miss so very much. I was blessed to know you, I will always be your Flea, and you my Pea. Love you for eternity, Lori Stutts*
