“Miss Pat was a precious lady and a great supporter at The Children's Place when I worked there. She was always a delight to talk to when she came by for a visit. She loved children and I know was so proud of hers and the grandchildren. She will be missed, but not forgotten by her community. Prayers for the family.

“Patty and Gary and kids, I am so sorry for your loss, and so sorry for the horrible disease that Mrs. Cobb had to deal with. As you know, my mom also had it. I have thought of you so often and had you in my heart and my prayers. Praying for peace for all of you in the days and weeks to come -- and thankful that Mrs. Cobb is now at peace. God bless you all!

“Mr and Mrs. Cobb were a wonderful couple. I have many fond memories of Mrs. Cobb from my years in high school. Happy and funny personality, dry wit I remember. She could dish it out! Also a huge supporter of not only Tommy but all of us on our wrestling team. Seeing her around school and talking with her, one could tell she was very capable with just her presence as she walked with confidence and a smile. She was someone that I did confide in during a tough time in my life during school in which, the advice she gave me, everything worked out.
Also, she knew I was an Auburn fan and she would often talk to me about attending Auburn after graduation which I later did.
