“ Aunt Rena,
*I have so many beautiful memories with you,
and I'll always remember your heart of pure
gold. I love you deeply, and I know without a
doubt that you've already earned your wings.*

*Some of my favorite memories are from my teenage years—
spending summers with Debbie, helping with Nick, Brad, Josh, and
John Boy, and sometimes staying with you. Those times were full of
love and laughter.*

*After I got married, life took me away for 35 years. I just moved back
to Scottsboro last week after losing my husband, and I was so
looking forward to coming to visit you and Debbie. But God called
you home before I had the chance. He always takes the best—and
when He took you, He truly got the best.*

*To Debbie, Joey, John, and all the boys—please know how much I
love you all. I'm so deeply sorry for your loss. Aunt Rena loved each
one of you dearly, and I'll be keeping you in my prayers.*

*I'm heartbroken that I can't attend the funeral in person due to
bronchitis and a bad cough, but please know my heart and spirit are
right there with you.*

*With all my love,
Kim Miller Owens*
