“ I never know what to say in Tribute of someone I love. Uncle Buck was very special to me. I always remember him smiling and happy. He always seemed so easy going. Over the past few years I have had the blessing of being able to visit with him a few times. I so enjoyed listening to him talk about his memories of when he was young. His stories about him and his brothers and sisters and his memories of his time in the service. He loved his family. He loved talking about the Bible. He will be missed here on earth by those of us who loved him. He has been welcomed into the loving arms of the Lord.
