“ My heart breaks for this family. And I have precious memories of Liam at my house playing in the mud with my grandsons. Ian is one of the five that were very good friends. I wanted to share something about Liam that I thought was so sweet. Liam had accidentally gotten the end of his finger cut off back last year. And God graciously healed it, that was such a miracle. But about that time him and Memphis were walking up the side wall of the church together, and Liam told Memphis he was gonna get the Holy Ghost. And Memphis says , you are not. Liam says oh yes I am, because I want it and when I get old enough I'm gonna get it. About that time he seen Sister Brenda Sealey looking at them. And with a grin Liam looks at her and says “ I am , I promise I am , because I want it and I'm gonna get it.” From the heart of a child. So precious and such a beautiful little angel today. Our thoughts and prayers are with this family. Love from Mitchell and Charlotte Stephens

“ *My husband and I got to meet Liam for the first time at Skyline Revival last summer. His warm smile melted our heart but when he sat down beside me to talk but forewarned me, "He couldn't talk when church started" I knew we would have a forever friendship. Not long after that his sweet family came to Locust Fork and we got to be with them one more time. My little Yorkie fell in love with him when we ate after church and that started up another good conversation. His life on this earth may of been but a short little while, but he will be in our heart's our entire lifetime. We also shared a birthday. God Bless the entire family and church friends and community. You are in our thoughts and prayers. Love Deb and Jeff Campbell*

“ Liam was one of the sweetest little boys I have ever known!!! Him and our little grandson Barrett were best friends and when Barrett would see me and come and hug me if Liam was with him I got that same sweet hug from him too. If you were ever in his presence he wanted you to notice him and you couldn't help but notice him with that beautiful contagious smile on his face! I can't help but picture those 4 or 5 little boys all about the same age going around shaking the men's hand at church lined up in a row! Precious memories!!! We sure love you and gonna miss you so much! Barrett keeps saying he wants to go to Heaven so he can play with Liam!! RIP our precious little angel!!! Stevie and Shelia
